

# COLOUR CHART

The worry-proof roof

# YOUR CHOICE OF COLOUR

Choosing the right roof colour is essential for achieving the perfect look for your home, as it greatly influences the overall aesthetics of any building. GERARD combines the stormproof strength of corrosion-resistant metal roof tiles with the beauty of natural stone coating, ensuring both exceptional durability and captivating style. Explore our wide range of colours—from modern shades to rustic and classic tones—that allows you to find the perfect match for your architectural vision.

The Service Level policy may vary in your local region. We advise to contact your local sales representative for accurate information. Every effort has been made to accurately reproduce colours, but for technical reasons connected with colour reproduction, printed colours may differ from actual product colours. Please refer to actual colour samples before purchasing.
